7-Eleven Operations Team,

To Whom It May Concern,

7-Eleven's Construction team is in the process of conducting site surveys of the premises and has authorized Royston LLC to complete this task at this store. Surveys consists of taking measurements and photographs of the store including fixtures and equipment. The surveyors require access to the exterior, interior including applicable basements, attics, roofs, and/or storage rooms/areas. They should have a minimal interruption to the daily operations of the business. Should any questions arise, please contact me or our authorized agent/ Royston, LLC Nick Risner at (706) 245-6116 extension 3232. Thank you for your consideration.

Sincerely,

Matthew Wiley
