

DOLLAR GENERAL®

Dollar General Corporation
100 Mission Ridge
Goodlettsville, TN 37072

September 14, 2023

Dear Store Manager,

Field Services Unlimited Team will be surveying your location for a potential 2024 Remodel Project on behalf of the Dollar General Construction Team. This will include noting the condition of your store and any issues there may be, taking photos and getting dimensions of your store.

They **WILL NOT** have Dollar General issued badges; however, they are authorized by Dollar General to perform the work mentioned above.

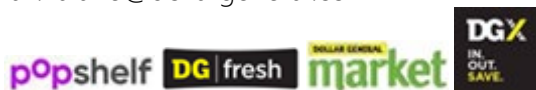

Please provide clear access to the Electric and EMS Panels by moving rolltainers/stock prior to their arrival or have someone dedicated to help on the day of their visit in order to take the required photos. Provide access to the store ladder so the survey team can take photos above the ceiling at Power Pole locations.

Should you have any questions or concerns regarding this process, please contact our Construction Department at 615-855-4861 or call me directly at 615-855-4557 during business hours 8am-5pm CST M-F or after hours at 615-420-0514.

Thank you for your cooperation in advance.

Sincerely,

C. Laurance Lane II
